Sculptures Angola Program

Sponsorship Form

The Art Sculptures in Downtown Angola is an initiative that supports the growth of cultural community development through intentional, strategic programming and by building a strong network with artists. Each year, eight sculptures are installed in June and remain on display for one year. The sculpture program enhances the vibrancy, beauty, and overall quality of place in downtown Angola and throughout Steuben County.

Name:

Organization/Business (if applicable):

Email:

Phone Number:

Address:
